NINTH-INNING RALLY STAGED BY INDIANS

Climbers Drop Game After Apparently Having It Sewed Up and Tucked Away-Have to Be Satisfied With Even Break on Series.

[Special to The Times-Dispatch.] NEWARK, June 4 .- The Richmond Climbers were defeated here to-day, 8 to 7, by the Newark Indians, after apparently having the game sewed up. ewark started the ninth session with the score 7 to 4 against it, staging a great rally by scoring four runs in the final session, and thus winning the game. While the Climbers should have made it three out of four from the Redskins, they were forced to be sat-isfied with an even break. Gleason, Jarman and Humphries divided the box work for the Virginians, the win-ning run being scored off the last-named. Gleason was hammered for four runs in the second session and was replaced by Jarman, who pitched good ball and shut the Indians out until the final session, when he weakened.

After being found for a double and
two singles, besides walking a man,
he was replaced by Humphries, who
walked the first man to face him, and the next batter, fiealey, the former Mackman, sent the ball to left on a line, just out of Arragon's reach, scoring Witter and Zacher, with the tying and winning runs.

The Climbers fought a great uphill battle. With the score 4 to 6 crimer

battle. With the score 4 to 0 against them, Jarman sent a liner to center for half the circuit, after Enzeman had threwn out Reynolds at the start of the third session. Healey made a good play on Clemens's bounder, throwing him out at first, Jarman advancing to third. Hack Eibel then sent a onetimer whizzing to the right-field pasture, Jarman registering the first Climber tally.

In the next frame the Climbers staged a rally, falling one run short of tying the score. After Arragon of tying the score. After Arragon had fanned on a poorly called third strike, McDermott sent one down the third-base line that was too hot for Zimmerman, and made the first station safely. Bankston then drilled a hit to center for a base, and when Zacher threw to third to nip McDermott, he tried to sneak to second, but was cut down Zimmerman to Healey. was cut down. Zinmerman to Healey. Kircher then singled to center, scoring Red McDermott, and Kircher scored a moment later on Bill Reynold's smash to right, on which he made two bases. Jarman, who had doubled on his provious trip to the made two bases. Jarman, who had doubled on his previous trip to the plate, ended the rally by whiffing. In the "lucky" seventh Billy Smith's henchmen tailied thrice, and appeared to have the game sewed up. After Jarman fauned, Clemens heat out his roller down the third-base line, and went all the way to third on Elbel's one-timer to center, Eibel taking second on the throw to get Clemens at third. Tim Hendryx then was purposely passed, filling the bases. With the infield playing close, Arragon hit to Hendry, who mussed up his roller, Clemens and Eibel scoring. McDerno lifetial play, who mussed up his roller, of liealey, and made and lifetial second their first four in the second session of five hits, one a double by Zacher, on five hits, one a double by Zacher, a pass and a hit batsman. Price Players To-Morrow Night.

For the first time since the Price Players began a limited spring and summer engagement at the Academy May 1, they will be unable to begin a new week with a Monday night performance. This is not due to any lack of preparedness in connection with "Nearly Married," the current week's bill, but to the fact that the Academy was engaged weeks ago for the commencement exercises of the Woman's College, which will be held in that theater to-night. The Price Players will resume their engagement to-morrow night, when "Nearly Married," will be presented for the first time in this city by any company. It is a farce-comedy from the pen of Edgar Selwyn, and should find all of the members of the popular organization happily cast. A young married couple—Harry and Betty Lindsay—about whom much of the fun of the piece revolves, will be portrayed by Richard Dix and Catherine Proctor. The play is in three acts, and with the advantage of one addational day's time for its preparation, should move spiritedly in the bands of the Price Players.

NECK-AND-NECK RACES

NO RUNAWAY SEASON IN EITHER BIG LEAGUE

For First Time in Years Both New York Teams Are Hot on Heels of Leaders.

NEW YORK, June 4.- The breaking of the New York Nationals' long winning streak last week, after they had won seventeen consecutive games, has won seventeen consecutive games, has diverted the attention of the baseball world to the remarkably close pennant races in both the National and American Leagues. For the first time in years the New York Giants and the Yankees are running neck-and-neck for the leadership in their respective leagues, both teams being in second place by a margin of less than a game below the leaders, and with Brooklyn setting the pace in the older circuit. In the National League It is anybody's race, only a half-dozen games separating Brooklyn from St. Louis, present tailender.

On this first swing around the circuit the Giants established a reputation as a scoring machine, making 115 runs and 212 hits in their twenty-one games, an average of more than five runs and ten hits a game.

The Western teams of the National League, generally considered the weaker end of the organization, showed up more favorably the past week. Pittsburgh jumped from last to sixth place by winning five out of seven games, and Cincinnati displaced Chicago from the leadership of the second division. The Cincinnati team, it is believed, will be a factor in the pennant race.
